Pay- per game

Partners West

Renton WA- May 2008-July 2008

Warehouse, I picked book orders that where sent in to the office and then we picked the orders and sent them to packing where they where shipped off, we used carts to pull around the books and by using a number system and alphabetical system picked the orders.

Pay-\$10

EDUCATION

Todd beamer high school, federal way WA, grades 9-10 complete, i have my GED

MILITARY

prior military

SKILLS

I have my own transportation, I am looking for part- time work or full-time since I don't go to school, I have warehouse experience, pretty quick learner, dependable, I can start asap, I can work anytime you need me, I have 1 years floor jack experience both walking jack and basic hand jack, took 3 years middle school wood shop classes, I have basic tool experience, and able to complete deadlines, lift up to 0-100 pounds I would say, I have 1.5 years Photo shop experience + half year adobe illustrator, and have some professional camera experience, fairly good with computers: programs including Microsoft word, Microsoft PowerPoint, window media player, window movie maker, some i Tunes, internet, ect, I have paint gun (for cars, home) experience also, have been taught warehouse order system.
